Reception (ready for Year 1)

Summer Learning Pack

1. Complete your topic research.

2. Learn to count in your 2s, 5s and 10s.

3. Complete some of the hopscotch challenges.

4. Test yourself! Can you read and spell some of the high frequency/common words?

5. Try to write lots over the holiday. Each week write about something special that you did or saw, or the people you met.

6. Read at least 1 book a week.

Why don't you visit the library and take part in their summer reading challenge?

7. Take part in the RSPB Wild Challenge or the National Trust activities.

But most of all just have fun!!!

Topic Research

Your topic in the Autumn Term will be:

Wild Adventure!

*This topic is based around the contrasting locality of Africa.

Please research the topic using the internet, talking to family members or by going to your local library.

You could record your ideas through drawing, writing or even make a recording.

How about transforming a paper plate into an African animal?

Any work will be added to our class display.

Hopscotch Challenge

Hopscotch is a great way to practise many of your maths skills, so get thinking. How many games can you come up with?
Here are some ideas to get you started.

1) Write different start numbers on the hopscotch. Can you write the rest?

2) Create your own addition hopscotch.

3) Write addition/subtraction calculations to make the numbers 1 -10?

4) Write a selection of numbers on the hopscotch. Jump to the number that is one more or one less than …?

5) Throw an object onto any number. Say the number you would add to make 10?

6) Throw an object onto the answer to a given question.

7) Use the sections of the hopscotch to colour in different fractions.

8) Set yourself time challenges.

RSPB Wild Challenge

What is Wild Challenge?

It's a challenge for you to connect with the natural world in brave new ways and earn awards as you go. Do you have what it takes to achieve gold? Our activities resources are available in both English and Welsh. You can find them as downloadable documents on the relevent activities pages.
